Jeanette

I have really enjoyed
my senior year, and I am
sure I will never forget
it. 3rd period has really
made it enjoyable. Boy,
we have really had some
discussions haven't we!

Best of luck next
year!

Love,
Duc C.

Jeanette,

I have known you for years
(I think) and I consider you one
of my closest friends. The Junior
play will long be remembered
by both of us. Remember
Mr. Speltz' hair pulling session.
He He May good luck and ~~forward~~

words say, "keep your wits about
you." "montimer"

hope you will be very happy in the
future. Best of luck always

So a very sweet girl
whom I have really
enjoyed knowing. This
is our last year at
C.H.S. and it has certainly
been a happy one. I
hope that I will always
be remembered by
you after school is out.
Don't ever forget those
two periods - shorthand II
and office practice. Those
were "the" periods, weren't
they.

I have all confidence
in you that you will

Jeanette,
 It seems sad to
 leave everyone that
 we have grown up with.
 It would be wonderful
 if all the good things
 could continue all
 through life. But who
 knows what is ahead.
 We can only take with
 us what we have learned
 and our memories. We had
 fun at Union too and now
 we must part but not "Good
 Bye" only so long until
 next time.

may God guide you and
 continue with your talents.
 Sincerely yours,

Thanks for

DEDICATION

Occasionally there is born one of highest, sacrificial ideals; one who lays aside individual self and desires for the betterment of others; one who strives endlessly; and one who embodies the philosophy of "Whatsoever thy hand findeth to do, do it with all thy might."

To just such a person is this edition of the *RACONTEUR* dedicated.

M any are the thoughts and the time she devotes to her children and her school;
R eaching far and near, she touches each life in a radiant manner;
S urely, she smiles through adversity and encourages those about her.

G oodness and virtue direct her every step;
O ver difficult task, she stands alert, sympathetic of other's limitations;
D uring her waking hours, truth and wisdom she relentlessly pursues,
W inning for herself an honorable place in her community and her school;
I nsight prompts her to demand respect and loyalty;
N or does she withdraw, when bravery is necessity.

(Read the first letter of the above selection, and her name appears.)

As a friend may I say that I have enjoyed your fellowship there last two years. You have certainly helped me to feel at home in Cairo.

As a teacher I am very proud of your academic standards. You showed so far. Always have a goal higher than you can reach and you will always climb upwards.

Dearest Jeanette,
I still hate it cause
you couldn't be in the
play, but you have been
a doll about it. I have
had some love

admiring your
amazing ability and
acting ability. I hope
you know you are
known at college. I hope
you are in C.H.S.

Love,
Islovia

Jeanette,
I'm so happy that
you have shared your
problems and ideals with
me this year. I have always
admired your Christian character
which proves itself in everything
you do. I hope that when
our paths are parted and
we go our separate ways,

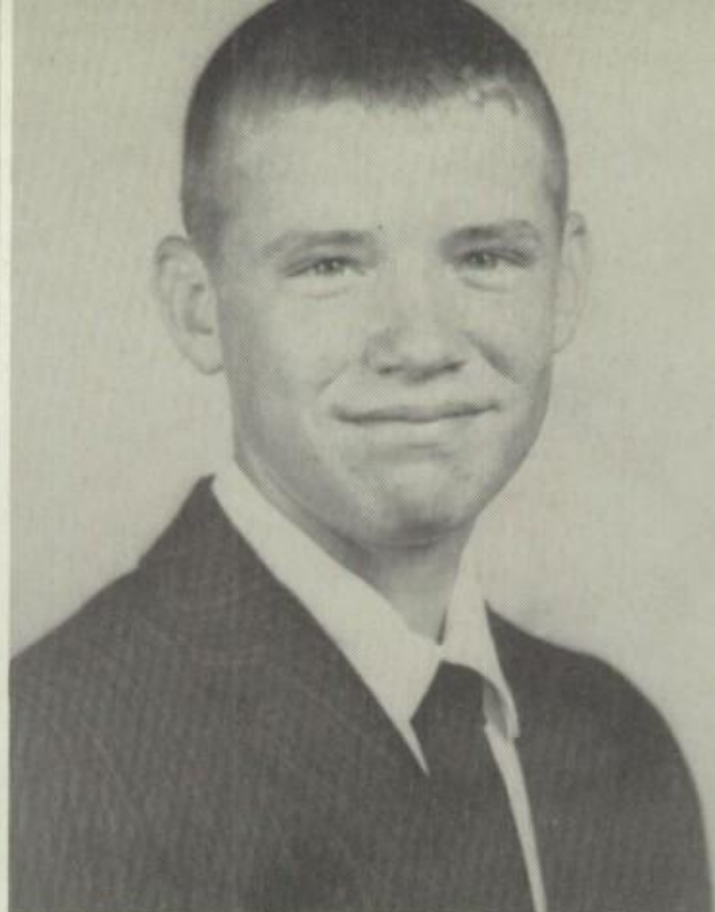

Seniors

we will always remember
each other. Maybe someday
we can be together again, and
maybe some of our dreams will
have come true. I hope so. If I
decide to go to college, I would
love to go with you, so keep me
in mind. Good luck and
always let God be your guide.
Love, Islovia

Jeanette,
You are a very nice
girl even though you
are a little "cracked".
I'm only joking. I really
do like you a lot and I
really have enjoyed
knowing you.

Always
Raymond

Well Jeannette
We're certainly not Juniors
but this is the only space available
for writing.

Jeannette, So many people
have already told you what a
wonderful person you are but
I like to say it again. I
think you are one of the
sweetest, cutest, most respectful,
most courteous, tender-hearted
persons I've ever met. Never
have I ever met anyone with
all of these fine qualities combined
except you. These qualities may
not win you fame and fortune
(although they will help) but
they will win the respect and
the hearts of many, many, ever
lasting friends ^{in the} future just as
they have done in the past.

Jeannette our friendship
has lasted for eight years now
(and even though we ~~have~~ ^{have} our little 'ups'
and 'downs') I'm sure it will continue
to last a lifetime.

I'm sure we'll have to part
for a while, for College days are calling
and you have to answer. Nevertheless I
don't have to tell you that when we meet
again you'll have made a success of
College as big as the heavens. Jeannette
you are one person I can pour out my heart
and soul to and you always have an
understanding smile and a warm word
of consolation. You're the kind of Angel
I'd like to have for a playmate in
heaven so be good and keep God
as your guide (I'll try to do the same)
Best Wishes for the (most happy)
most successful future ever. Don't
forget me for as long as I live
you shall remain in my thoughts,
memories and prayers. So the very best
friend a person could have

ALMA MATER

We salute thee, Alma Mater,

Thou to us art dear.

May thy virtues and thy teachings,

Guide us every year.

Cairo High in future years,

Our memories will turn back

To the days in Cairo High School,

To the Red and Black.

Jeanette -
Well, it's almost
over now. I wish we
could all go back and
"re-live" those past
four years, don't you?
All these things that
we have done together
will be some of my
most cherished memories.
I will always remember
your beautiful voice
and your sweet personality.
May we always remain
the best of friends
and keep up your
good work! There is one
thing for sure - I do
believe you can keep
a secret! Keep your
fingers crossed for me!
Love ya' loads,
Sarah

Jeanette,
All of our good
times in the Junior
play along with many
other things will long
be remembered.

Love,
E. Melynn

Autographs

Jeanette,
Never forget all the wonderful times we've
had this year and all the others. Only time will
tell how important our friendship has meant.
Keep singing and always remember I'll be
praying for you. Best & luck always,
Bill Hancock
P.S. Remember Atlanta -

Jeanette,
We need more people like
you in this world.
It is strange to me how
a girl who is treated so mean at
times can remain with a smile
and a calm voice.
You are a great example to
the underclassmen of C. H. S. We
will remember you and your sweet face.
Good Luck & Much Happiness
To you. Love Celine

Jeanette,
You're one of the
sweetest girls I've ever
known. You're so tender-
hearted. Please don't
let things hurt you so.
May the best life has
to offer be yours.

Love ya'so,
June

Jeanette,

I have really enjoyed going to school with you. It certainly has been a real pleasure. I know you. I hope you will remember all the good times we have had. I know I will never forget them. Do you remember the eighth grade?

Jeanette I have really enjoyed going to certain places with you. Just keep that friendly smile and personality and I am sure that you will always have friends. I wish you all the luck and happiness there is in the future. I hope the path you walk in the future will be a bright one. God bless you in anything you undertake to do in the future.

Love you always

I could never say all that I felt or would like to say in his space. I've really enjoyed being a friend of yours! We had a ball in Lucretia's and in our classes. I'll never forget some of our times - especially the times when you took all of those girls. You've made a very recognizable contribution to the world with your singing. Keep up the good work and you'll be a success. Getting to touch while we're in school and get together on the holidays. I hope you have the best of luck in all that you do - I know God will bless you. Love Always, *Openy*

The band has participated in every band contest in the state during the past fourteen years, winning a total of one hundred seventy nine First Division Ratings. For five years, the band made a perfect score in all the many events entered.

The band has played for every football game, for practically every civic event, plus many out of town engagements. The Cairo Band plans to take a trip in the spring of this year.

The present members of the band are aware of the tradition of high quality performance by the members of former bands, and they shall strive to continue the Cairo High School Band reputation as one of the best school musical organizations in this section of the country.

Dear Jeanette, the
 you are about the

Dear Jeannette,
Well, this marks the end
of four years of hard labor
to accomplish good enough
grades to go on to another
school. Over since the
4th grade, I've considered
you my dearest friend
and although somehow
somewhere we drifted
apart, I cherish the
memories of some wonderful
times, and I still consider
you as a very sweet,
dear friend who has
been so very understanding
through everything. I'm
sorry, Jeannette, if I made
you unhappy in days
past - but life is full
of ups and downs. It
seems as though lately
everything had been
"downs" for me. Jeannette, when
we graduate, let's keep in
touch somehow, because I want
to see you everytime I come
home. If you are ever up in
North Georgia, look me up and
I'll welcome you with great
arms. I'm sorry we're having
to leave this year - but you know
things to do and there are things
to be done. Maybe I'll get that
Citadel boy after all - if you
can come & see me in S.C. I'll
I can never forget those days we
took - especially those in Atlanta. We surely
close calls didn't work. Maybe
someday all your dreams
will come true. (Know what I
mean?) Jeannette, I love you
